

Warranty

Warranty: 5-Year Parts and Onsite service Warranty

Discount LED Displays stands behind the quality and performance of all the LED displays that we sell. Our warranty is the best in the industry and is designed with the business owner in mind. A worry free investment for the next 5 years.

Because when it comes to standing behind our products, Discount LED Displays is light-years ahead of the competition.

5-Year Warranty Covers:

- All manufactured electronic products
- All LED board assemblies
- All power supplies
- All embedded electronic controls
- To learn more about our 5-year warranty. Please contact us. We will be happy to provide details.
