Welcome to American Financial Group Leasing

As a national equipment financing company we can provide the competitive rates and stability you need with equipment leasing, while giving you the local personal service you deserve. We have account executives that have been trained to specialize in the signage industry, and understand the value of signage. American Financial Group Leasing has many leasing programs to accommodate any budget.

Leasing options that start at just dollars a day. Business owners can:

- Pay for your new sign from the revenue it generates
- All the benefits of ownership without major cash outlays
- Capitalize on unbudgeted opportunities
- Finance your whole signage project under one program.

Please complete one of the two application forms below to have a Discount LED Display representative contact you directly, or download the PDF leasing application and call us at 866-756-1375 to discuss the process.

Or go directly to [www.afgleasing.com](http://www.afgleasing.com) for more details.
